

Emergency mobile phone details

- ☐ The Glasgow Glenmore Club emergency phone number is 07539 319 337 and the phone is carried by or with meeting co-ordinator.
- ☐ The phone should be charged before every club meeting
- ☐ The phone is on a Pay-as-you-go contract with EE.
- ☐ The handset has talk time of 15 hours and standby time of 30 days when fully charged.
- ☐ **A call or text MUST be made or sent once a month to keep the contract active.**

The Treasurer will prompt the coordinator of the month to make a call.

If the contract lapses, then the mobile number is lost – and this is critical as the number is logged with the PLB UK Rescue Coordination Centre.

- ☐ The phone has credit pre-loaded of £10. When this runs low (below £5), contact the Club Treasurer who has the top up card to add more credit to the phone.

Please keep these notes in the coordinators green bag at all times
