10 INDEMNITY

Individual club members accept responsibility for their own safety and that of their guests on club meets. Although the committee makes available facilities including administration, guidance and leadership on meets, these are provided in good faith and should not be seen as replacing the responsibility of each member to adequately plan, prepare, train and exercise good judgment for the protection of his/her own safety.

Details of the running of the Club, which was founded in October 1954, and of the facilities it offers, may be found in the 'Information for Members' leaflet, or by asking, in particular, any Committee member
